It is possible to combine the NBCH with a CVI, but again the event must be scheduled, so that the NBCH follows the NBCH rules. It is possible to arrange NBCH classes as 'open' classes, where athletes of non-Nordic or Baltic nationalities can participate, but separate result lists and prize giving must be prepared for NBCH participants only.</p> <p>All NC athletes must qualify according to the rules of their national federation (NF). If the event is run as a CVI or an international event all vaulters, lungers, and horses must be registered with the FEI. In case of a national event, the rules of the hosting NF regarding registration will be followed. The specific requirements must be stated in the Schedule for the event. All vaulters, lungers, and horses must have a national license according to the rules of their NF.
